

**Product Name: VitaFiber™ Organic (Syrup)**

**Product Profile:**

- VitaFiber™ Organic (Syrup) is a Isomalto-oligosaccharide mixture (IMOM), the majority of which consisting of 3 to 8 glucose units linked together by digestion-resistant  $\alpha(1-6)$  linkages, providing dietary fibre and prebiotic functionality.
- VitaFiber™ Organic (Syrup) is FDA-GRAS and Health Canada approval for use as a food ingredient throughout the entire spectrum of food and beverage applications.
- VitaFiber™ Organic (Syrup) is a certified Organic prebiotic fiber sweetener providing low calorie, non-cariogenic sweetness and soluble prebiotic dietary fiber for human digestive health.
- Our natural manufacturing process controls the degree of polymerization (DP) and the  $\alpha(1-6)$  linkages to ensure consistent high levels of isomalto-oligosaccharide concentration from alternate starch sources.
- VitaFiber™ Organic (Syrup) is transparent clear or pale yellow colored high density syrup with 100% solubility.
- VitaFiber™ Organic (Syrup) has a relative sweetness equal to ~60% of sucrose.
- Our IMO products are also Kosher and Halal certified.
- VitaFiber™ Organic (Syrup) is transparent clear or pale yellow colored high density syrup with 100% solubility.
- VitaFiber™ Organic (Syrup) has dried solid contents up to 75% with 99.5% carbohydrates, and having dietary fiber contents of  $\geq 90\%$ . The free glucose content is  $\leq 5\%$ .
- VitaFiber™ Organic (Syrup) is free of Gluten and other allergens.
- This product is stable to a wide range of pH and heat conditions, thus suitable for variety of beverages and baking applications.
